

Appendix 3 – Noise Management Plan

Objective

To ensure the operation of the Traditional Bhutanese Archery Range does not unreasonably impact the amenity of surrounding landowners.

Operating Hours

- Monday to Sunday
- 9:00 am – 6:00 pm

No activities outside approved operating hours.

Nature of Activities

The approved use comprises low-intensity outdoor recreation only.

Activities include:

- traditional archery;
- coaching;
- organised recreational sessions;
- cultural demonstrations.

Noise Management Measures

- Activities will operate on a pre-booked basis.
- Patron numbers will be managed.
- No amplified music.
- No public address system.
- No outdoor concerts or entertainment.
- No fireworks or pyrotechnics.
- Participants will be requested to respect neighbouring landowners upon arrival and departure.
- Staff will monitor patron behaviour throughout operating hours.
- Vehicles are to be parked within designated parking areas only.
- Vehicle engines are not to be left idling unnecessarily.

Traffic Noise

Vehicle movements are expected to be limited to arrivals and departures immediately before and after organised sessions.

Traffic volumes are anticipated to remain modest and consistent with a low-scale rural recreational use.

Complaints

Should a complaint be received, the operator will:

- investigate the source of the complaint;
- implement reasonable corrective measures where appropriate; and
- maintain a record of complaints and actions taken.

Review

This Noise Management Plan may be reviewed periodically to ensure its continued effectiveness or where requested by the City of Swan.
