

SHEDS

All dimensions shown are measured from outside of frame (including purlins and girts). Dimensions shown are for illustrative purposes only and should not be used for assembly. Please refer to the relevant installation guides or detailed drawings provided for site preparation, portal frame layout and slab dimensions.

Please refer to the current Domestic Gable Shed certification referenced 50098 by FYFE Pty Ltd for 15° shed range, certification referenced 2011-628 by RSA for 10° shed range or certification referenced 240500 for 1 - 5° Domestic Skillion Roof Range. Certifications are applicable to standard shed designs only.

*Please note Header Beam Height shown is an approximation only and does not represent Final Daylight Opening Height (DLOH) of the Roller Door.
